## Stall & Pitch Options

You can trade with your own gazebo or book our Pitch & Stall option. We encourage traders to bring their own gazebo, as stall availability is limited.

Our standard pitch size is 3m x 3m. If booking a stall, please select this online along with any power requirements (electricity is limited and must be pre-booked).

## Stall dimensions

**Width:** 3075mm (including 25mm poles)

**Frame height:** 1900mm

**Table height:** 780mm

If using your own gazebo, it must be 3m x 3m and securely weighted due to potential wind. A 6m x 3m gazebo counts as a double pitch and must be booked accordingly.

## Market Pitch Space

At Calverley Road Market, only pitch space (3 × 3) is provided, and traders must supply their own gazebo. There is no electricity available at this location, and generators are not permitted due to noise management, so all trading equipment must be self-powered. The market takes place on the last Sunday of each month.

## Mandatory Requirements

- All traders are required to have public liability insurance to the value of 5 Million GBP.
- RAMS of the setup (risk assessment & method statement)
- Food traders need to have Level 2 food hygiene certificates. If you are processing food you must advise us of the authority where your food business is registered and display your Food Standards Agency, Food Hygiene Rating.
